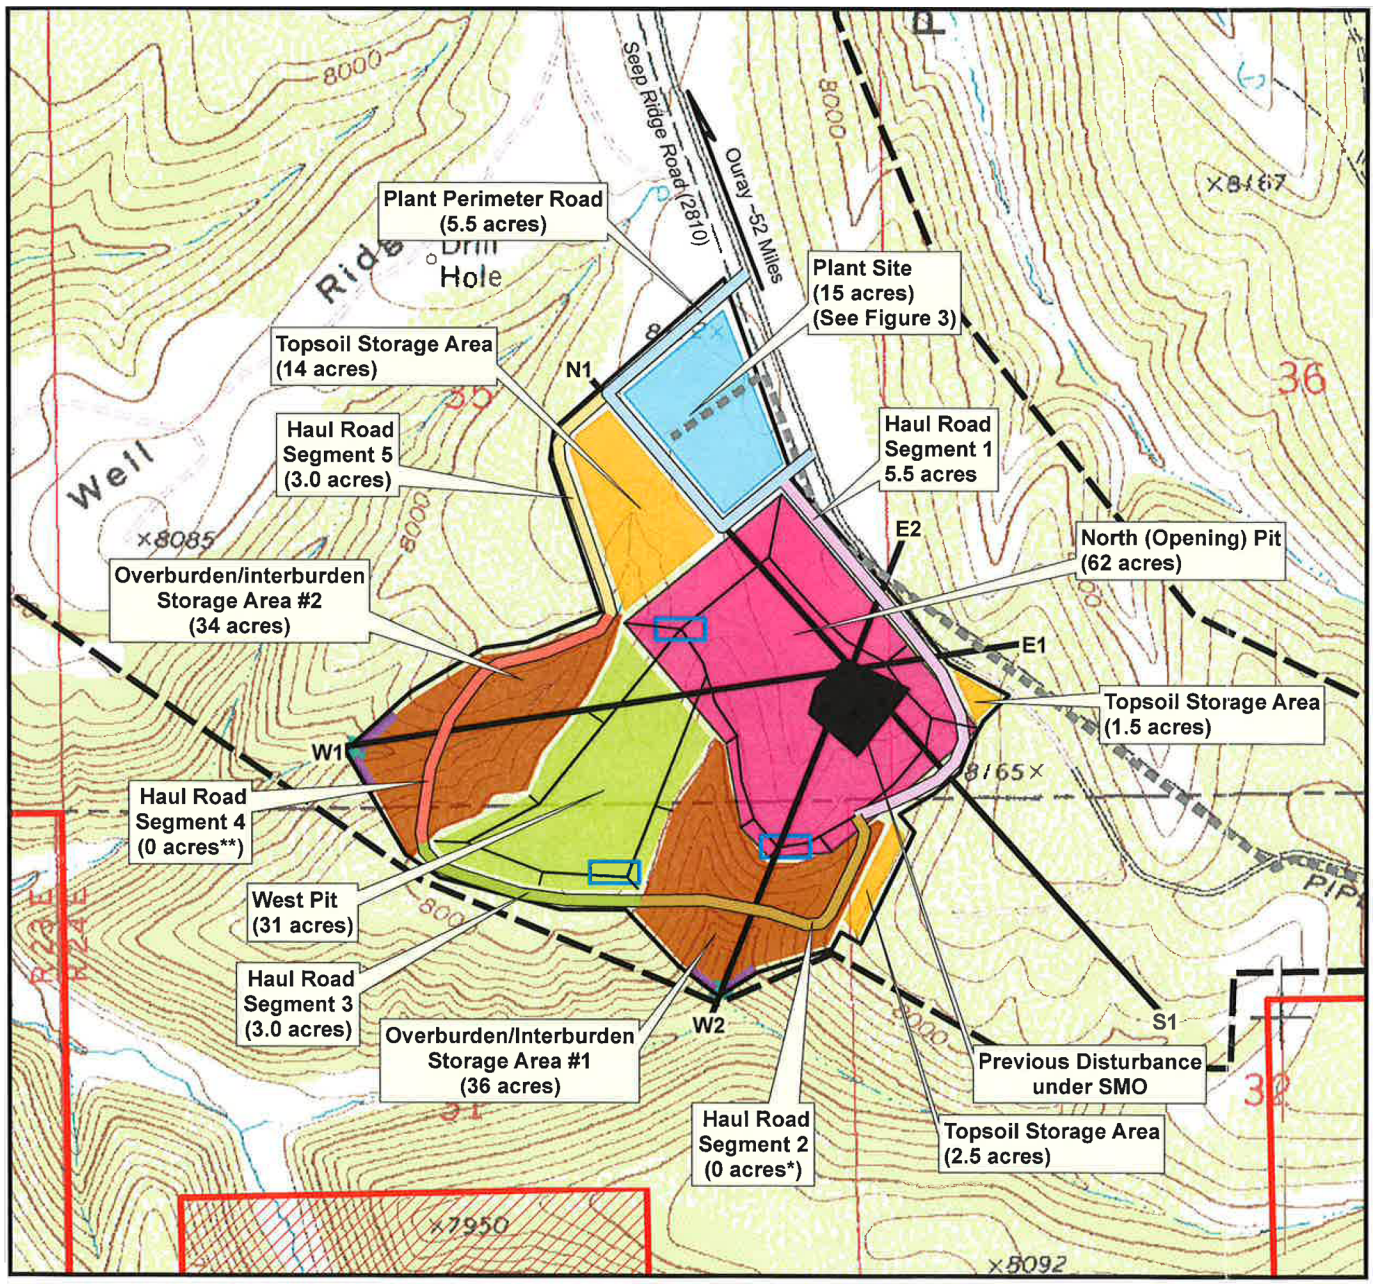
During Mining



1:12,000

Contour Interval 40 Feet
Scale is 1:12,000 when printed on 11" x 17" paper

Legend

- Earth Energy Lease Boundary
- Property Excluded from Lease
- Affected Area
- Study Area Boundary
- Cross Section Line
- Water Pipeline (Water line not part of this NOI - permitted under Exploration Notice #E0190053)
- Haul Road Segment 3
- Haul Road Segment 4**
- Haul Road Segment 5
- Previous Disturbance under SMO
- Plant Site
- Topsoil Storage Areas
- West Pit
- Overburden/Interburden Storage Areas
- North (Opening) Pit
- Collection Sump (inflow)
- Rip-Rap Energy Dissipater
- Rip-Rap Armoured Channel Bed
- Plant Permimter Road
- Haul Road Segment 1
- Haul Road Segment 2*

* Acreage Intergal with Overburden/Interburden Sorage Area #1

** Acreage Integral with Overburden/Interburden Storage Area #2
